| <b>V</b> | <b>OPEN-ENDED MODULE</b> |                                                                                                                                                                                                                                                    | <b>12</b> |  |

**Note:** The course is divided into five modules, with four having total 20 fixed units and one open-ended module with a variable number of units. There are total 48 instructional hours for the fixed modules and 12 hours for the open-ended one. Internal assessments (30 marks) are split between the open-ended module (10 marks) and the fixed modules (20 marks). The final exam, however, covers only the 20 units from the fixed modules.
